DEDICATION

To the lady behind the counter . . .

who spent one whole summer redecorating and paneling
our union . . .

who gives many long hours each day so that our union
may be open . . .

who always keeps the cards handy . . .

who cooks delicious food for banquets . . .

who tolerates noisy smoke-filled union parties . . .

who tolerates students' gripes and blasting juke box . . .

who shares our hopes for a new student union . . .

who is the teacher of the most sought-after course,
Unionizing 101 . . .

We of Monmouth College gratefully dedicate the 1959-1960 Ravelings
to Lorraine Azdell.

THIS IS MONMOUTH...

Monmouth means many things to many people. To some, it is just another place to play, to others it is a place to make new acquaintances, and to still others it is a place to exercise real intellectual curiosity — a chance to grow. College is often bewildering to the freshmen, a social scramble to the sophomores, a mad whirl of activities and offices held to the juniors, and a time of taking final stock and preparing for the future to the seniors. These four years we spend in college are a period of preparation and a proving ground for what each of our futures is to hold. Monmouth can not claim that it has the best facilities or that it is the best atmosphere for everyone but many of us have found a place for ourselves and answered some of our questions. Surrounded by its quiet aspect and timeless traditions, we have worked and enjoyed ourselves as we come to the close of another year.

WHO ARE WE?

The men and women who make up the student body of Monmouth College come from varied backgrounds and far across this country and foreign lands. In the melting pot formed on any campus, students exchange ideas, discuss problems that are vital to all young people, and simply have a good time together. Monmouth is no exception. We become identified with our circle of friends, confide in one or two "kindred souls," and, whether we admit it or not, begin to look for a future mate. From this conglomeration, each of us adding our own individuality, comes what we know as Monmouth.

WE SOUGHT TO ANSWER OUR CRITICS...

Our generation has been called the "Beat" generation, the "silent" generation, and just a bunch of crazy kids trying to stuff themselves into telephone booths. But in colleges across the country, students like us have been seeking to answer our critics in discussion groups, and by engaging in constructive efforts for both the college and community. At Monmouth, capable student body officers have led us to realize the importance of student leadership. We have questioned with faculty and advisors the school policies that we don't understand. By tackling some of the problems that confront young people everywhere, we have made an attempt to face up to the world we live in. We have given of our time and money to sponsor worthwhile campus and community projects. But probably most noteworthy, many of us have striven and succeeded in our way to answer our greatest critic — the critic within.

WE WELCOME A CHANCE TO EXPRESS OURSELVES...

The years we spend at college are trying and difficult ones — a period between adolescence and adulthood. To many of us, the new-found freedom of being away from home and the watchful eyes of parents, is welcomed and yet a little frightening. In preparing ourselves for a useful future, we include the development of our personalities and social graces as well as the development of our minds. This is all a part of learning to express ourselves as unique individuals. Monmouth offers another opportunity for expression through the creative and performing arts. The artist, the dancer, the contributor to "The Piper," the actor, and the musician — all are striving to express through their mediums their inner feelings.

WE PREPARED OURSELVES ACADEMICALLY...

Whether we like to admit it or not, our main purpose here in college should be to prepare us academically for the future. Many of us were undecided when we entered college as to what field should become our life-work. Choosing a major is perhaps one of our biggest decisions as underclassmen. After the choice has been made, comes the real work — assignments to prepare, papers to write, tests to study for and to pass. Then the library or lab becomes our second home. As seniors, some of us went into the Monmouth schools to reverse the roll of teacher-student. We Monmouthites have noted the emphasis placed on seminars and independent study programs in the curriculum, the longer library hours, and the change to a 5. grading system. Whether we were aware of the rising academic standards or not, Monmouth is looking forward and seeks to prepare her students for the technological and social age we live in.

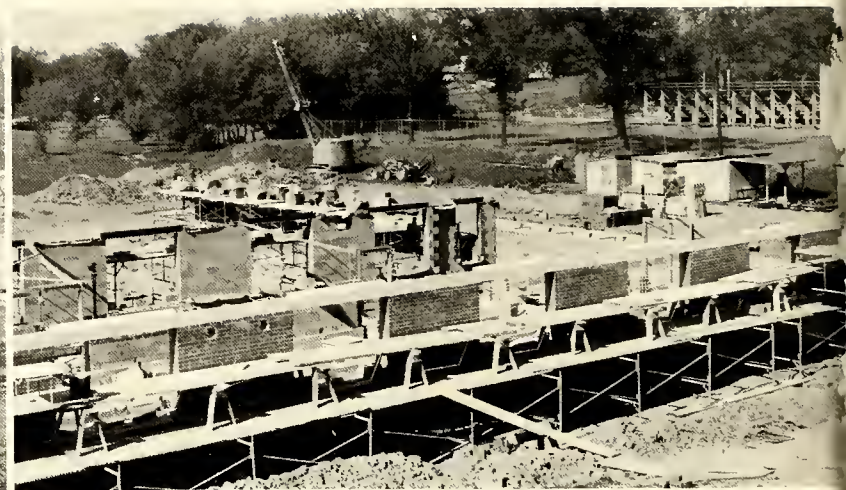

WE TOOK THE PRESCRIBED BREAKS . . .

As everyone knows, college students simply can't study all the time. The social aspects of our world were an integral part of this last year. Sometimes we just procrastinated and took ourselves to the Union — at other times we partied seriously. A ten-minute break in the Union frequently meant an all evening bridge game. Often we used more originality in dressing for the costume open house than in writing the theme due the following Monday. Rain on the night of a formal meant a great disaster. Whether we just talked in the car in front of the dorm or dressed for dinner and a show in Galesburg — we had fun!

WE NOTED CHANGES ON CAMPUS

Often students complain that Monmouth never changes — the college will never proceed with the building plans for the Student Union, new science building, new dorms, or the rules will never be changed. This year witnessed the building of a new men's residence hall, Graham Hall, the development of which is pictured here. Student Council discussed ways of financing the new Student Union and architects were consulted for plans. The sought-after cigarette machines were installed in the Union and even the girls' dormitory rules were altered in conjunction with later library hours and 1:30's after formals. Surely we cannot complain that time stands still!

AND THEN THERE WAS THAT FATEFUL DAY LAST SEPTEMBER . . .

Probably the outstanding event of the year was the "tornado" which struck our campus on September 26, 1959. Many of the giant trees, which were among Monmouth's few claims to beauty, were twisted and broken in a matter of minutes. The next day, bright and sunny in contrast to the blackness of the day before, was spent in a concerted effort by the whole student body to help clean up the havoc left by the storm. The picture below is dedicated to the Monmouth Power Company by the few who did try to continue studying — but the majority of us found a good excuse for bridge marathons or just plain partying. The campus landscape will show the effect of that day for a long time to come, for such trees are not quickly replaced.

WE LOOK FORWARD BY ANALYZING OUR PAST...

With the ending of another school year, it is time to reflect on what we have accomplished this past nine months. We wasted valuable hours around the bridge tables or in just plain "goofing off," but many of us found the satisfaction gained from really applying ourselves to our studies. A course that promised to be dull opened up new vistas on a different tangent, or we may have accidentally stumbled on the basis for a whole new range of interest. To the college student, the passage of time does not seem of concern because we tell ourselves that we have such an unlimited supply. Actually, these four years go by all too fast and with it the opportunities that a college such as Monmouth offers. When we leave Monmouth for the last time we are supposedly prepared for the niche in life that we have chosen — be it office, lab, classroom, or home — how well prepared depends on the foundation we laid for ourselves during our college years.

ACTIVITIES

FRESHMAN WEEK

Be sure to wear 'em Frosh!

Will the line ever move?

WE ARE THE FRESHMEN

The rough tough SWAF Committee

Can you pop up like toast?

Burning the Knox Siwash!

Chris Barber has a "mighty fine band".

KNOX WEEKEND

Let's get tough.

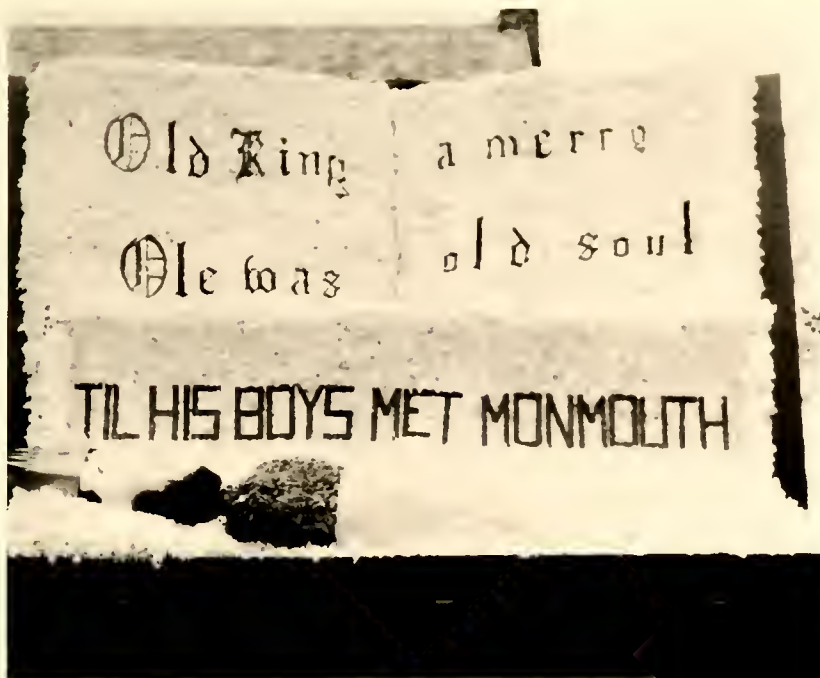

Yea-a-a-a Monmouth!

HOMECOMING

The 1959 Homecoming started with a parade down Broadway with elephants, skunks, and the traditional kilty band. The rain dampened Monmouth's spirits in their loss to St. Olaf, but uncertain footing did not hinder the freshmen from winning the annual tug-of-war. The day ended happily with alums and students dancing to the music of Tex Beneke's band. Lovely Barb Divinsky reigned over the dance with attendants Nancy Van Natta, senior, Joan Bartek, junior, Tamara Frazier, sophomore, and Patricia Johnson, freshman.

THREE MEN ON A HORSE

The first Crimson Masque production was a comedy in three acts. The fine casting and acting made the play a very enjoyable evening and a big success.

LOST HORIZON

"Lost Horizon", the second Crimson Masque production with its Oriental theme was centered around a Shangrila in the Tibetan Mountains. The beautiful scenery was designed by Nancy Acheson and the actors worked very hard to make the play a success.

SENIOR WEEKEND

Girls don't go to the Sig. Ep. house, Fred!

How did you manage to sit with five girls, Dean Ba. . . ?

That annual senior weekend "jam session" in the union.

Was the food good?

SCHOLARSHIP DAY

Alpha Lambda Delta taps 14 girls.

Honorary degree for an honored guest.

PEP CLUB DANCE

Like BEAT man!

Pep Club "Beat-Leap"

CHRISTMAS COMES TO M.C.

RICHARD THE THIRD

Congratulations to Crimson Masque for a wonderful performance. This play starring Parker Zellers as Richard III was reported by critics to be one of the best plays ever to be put on at Monmouth.

RELIGIOUS EMPHASIS WEEK

Rev. Smucker, the speaker for the week, is a man of strong convictions about the role of the church in our secular society. He appealed primarily to the thinking student and spoke on an adult level which He was able to meet the apathy of a considerable part of the Monmouth community.

Homecoming Queen, Barbara Divinsky, is a member of Phi Beta Phi Sorority, where she served as president. An active member of the student body, Barb has served as Student Body Secretary, a member of Pan-hellenic Council and Vice President of Pep Club. She is a member of Sigma Omicron Mu, and Tau Pi and reigned as Sigma Phi Epsilon Queen of Hearts.

One of Monmouth's peppiest cheerleaders, Chris Work, reigned over the Monmouth Relays this year. Chris is a member of Kappa Kappa Gamma Sorority, Pep Club and PE Majors. She has been active in the Pollywogs and the college choir in the past as well as a reporter for the Oracle.

Reigning as this year's ATO Sweetheart is lovely Karin Richter, pinmate of Bill Herriott. Karen is a member of Pi Beta Phi Sorority where she serves as social chairman. Active in school affairs, Karin is Vice President of Pep Club and a member of the YWCA.

Chosen as the Sigma Phi Epsilon Queen of Hearts for 1960 is attractive Audrey Larson, the fiancée of Bruce Nehmer. Audrey has been active in campus activities and in her sorority, Kappa Delta. She has been a member of the YWCA, Politics Club, and Sociology Club and sings with the college choir.

The TKE's have chosen striking Mary Bullard as their Sweetheart. She is a member of Kappa Delta Sorority and the fiancée of Paul Ford. Mary has been active in the YWCA, and the Sociology Club while a student at Monmouth.

The Theta Chi Dream Girl for 1960 is vivacious Patti Baird, who is engaged to Charlie Link. Patti is a Monmouth Girl and has taken an active interest in college activities. She is a member of Pi Beta Phi Sorority and is active in the Pep Club and the YWCA.

Cheerleader Nancy VanNatta is a member of Kappa Kappa Gamma Sorority. She has served on the Woman's Governing Board, the YWCA Cabinet, and is a member of the Pep Club. Nancy reigned as both ATO Sweetheart and Queen of the Monmouth Relays last Spring. This is her third appearance on the Homecoming Court.

Joan Bartek, secretary of the Junior Class, is a member of Pi Beta Phi Sorority, in which she has served as secretary. She is the feature editor of the Oracle and a member of the Publications Board and the Pep Club. She was elected Junior Homecoming attendant this year.

A member of Kappa Kappa Gamma Sorority, Tammy Frazier is the secretary of the Sophomore class. She is a member of the Pep Club and the YWCA. Active in Crimson Masque, Tammy was sophomore attendant of this year's Homecoming Court.

This year's freshman attendant on the Homecoming Court is Pat Johnson. Pat is a member of Kappa Kappa Gamma Sorority and was tapped for membership in the honorary Spanish fraternity on the Monmouth campus.

The Y's play an important part in the life of Monmouth College students. Association meetings are held by both groups and on alternate weeks the girls hold dialogue meetings where discussions are held on the real meanings and problems of Christian life. The "Y" is also responsible for the Wednesday chapel programs.

THE CHORALE

The Chorale worked long and hard behind the scenes with Mr. David Nott this year to produce beautiful and inspiring music. A select group, the Chorale, had a tour of its own and participated in Pi Alpha Nu's "Sequence in Sound," the "Messiah," and chapel services. The larger group, the Monmouth College Choir, had a more extensive tour to the east coast during Spring Vacation. On campus, this group sings for the monthly Vesper's services.

PI ALPHA NU

The Music fraternity tries to promote interest in music both on campus and in the community. This year a plaque will be given to the student who has made an outstanding contribution to music on the campus. Each year they present "Sequence in Sound," a musical variety program.

MESSIAH

The combined forces of the instrumental and vocal music departments once again united at Christmas-time to produce their annual presentation of Handel's "Messiah." Anyone from the college or community who wished to participate was welcome and the results were excellent.

BUSINESS MAJORS INCORPORATED

This organization is for those interested in business in the world of today. Anyone interested may become a member by purchasing a share of stock in the corporation and thus is entitled to vote.

IRC discusses world problems and global trouble spots. Monthly meetings are open to anyone interested and various conferences enlighten those internationally conscious political students.

CLIO CLUB

This is the club for all avid historians. Membership is open to anyone interested in the movies, slides tours, and outside speakers that enrich the club's program.

Row 1: Ditch, Gittings, Rothaus, Lavigna, Harr, Lunn. Row 2: P. White, Brasel, Chanberlin, Mr. Spitz, B. Irelan, Hellison, Arnold, Shelton, Craig.

CRIMSON MASQUE

DEBATE TEAM

These students represent Monmouth College at the debates in this state. They are always trying their best to come home with the honors.

ORCHESIS

Girls in this organization strive to express feelings and emotions through the dance. This spring they put on a talent-filled dance show with the theme as South Pacific.

GERMAN CLUB

These students learned more about the German country and the people there. One of the year's highlights was a Christmas party complete with a tannebaum.

SPANISH CLUB

El toro may have rammed his way through the china shop, but this is no reflection on the Spanish Club. The only requirements are strong interests in the country, its people, its customs and good rolling r's.

CLIO CLUB

For intellectual interest this group sponsors various speakers and events pertaining to history. On the social side they sponsor the Turkey Trot each year which benefits the whole student body.

ETA SIGMA PHI

Under the leadership of Miss Fox, the classics honorary met once a month for programs concerning Latin and Greek. The requirements for membership are two years of college Greek or Latin and a 4.0 average in the language. Last year three members, B. Coleman, J. Conner, and L. McGaan attended the National Convention in St. Louis and Lynn McGaan was elected as National Secretary.

SIGMA DELTA PI

Sigma Delta Pi is the Spanish honorary fraternity. This year they only have three members, Patti Johnson, Judy Lamb, Judi Randall.

NATIONAL COLLEGIATE PLAYERS

The National Collegiate Players is the honorary dramatics society. Membership is limited to those who have participated in various theatrical activities and also have a 3.0 all-over grade average.

PI GAMMA MU

This group was newly organized this year as the social science honorary. They hope to be more active in the future.

PHI ALPHA THETA

Phi Alpha Theta is the honorary for those interested in history. The requirements are twelve hours in the history department and an all over average of 4.0.

SIGMA TAU DELTA

The national honorary English fraternity is a group of about 25 members who meet once a month to read to each other their own original papers and give criticisms on them. This group also sponsors the annual freshman writing contest.

FOOTBALL

Although team and spectator spirit seemed to drag toward the end of the season, the raw potential was there.

There was no one particular star this year but there was much team work and many gains made by the team as a whole.

Many returning lettermen and a group of promising freshmen, coupled with a determined spirit and drive, could keep the Scots' record on the decided upward.

BASKETBALL

The 1959-1960 Basketball season started out with a roar but halfway along the way it fizzled to a whisper. Our first games showed brilliancy, one of which was the Bradley game which was not the pushover the Braves had expected.

McRoberts was fourth highest scorer in the conference with Reasner and Mueller eighth and ninth respectively.

Though the end of the season proved dismal, the Scots will lose only two seniors while many of the other teams will lose more of their top hoopsters.

Row 1: B. Winslade, D. Arnold, B. Reinsberg, T. Wilkinson, D. Peacock, D. Burroughs, Coach Bobby Woll. Row 2: C. Munson, G. Hoffman, S. Hudgens, D. Brooke, A. Christie, R. Goodale, D. Bradshaw, M. Happ.

WEE SCOTS

Dave Arnold and Terry Wilkinson led a very promising group of Wee Scots to a season's finish of four victories and two defeats. They accumulated 427 points to their opponents 401 points. With this to their credit, there will be room for them with the Fighting Scots next season.

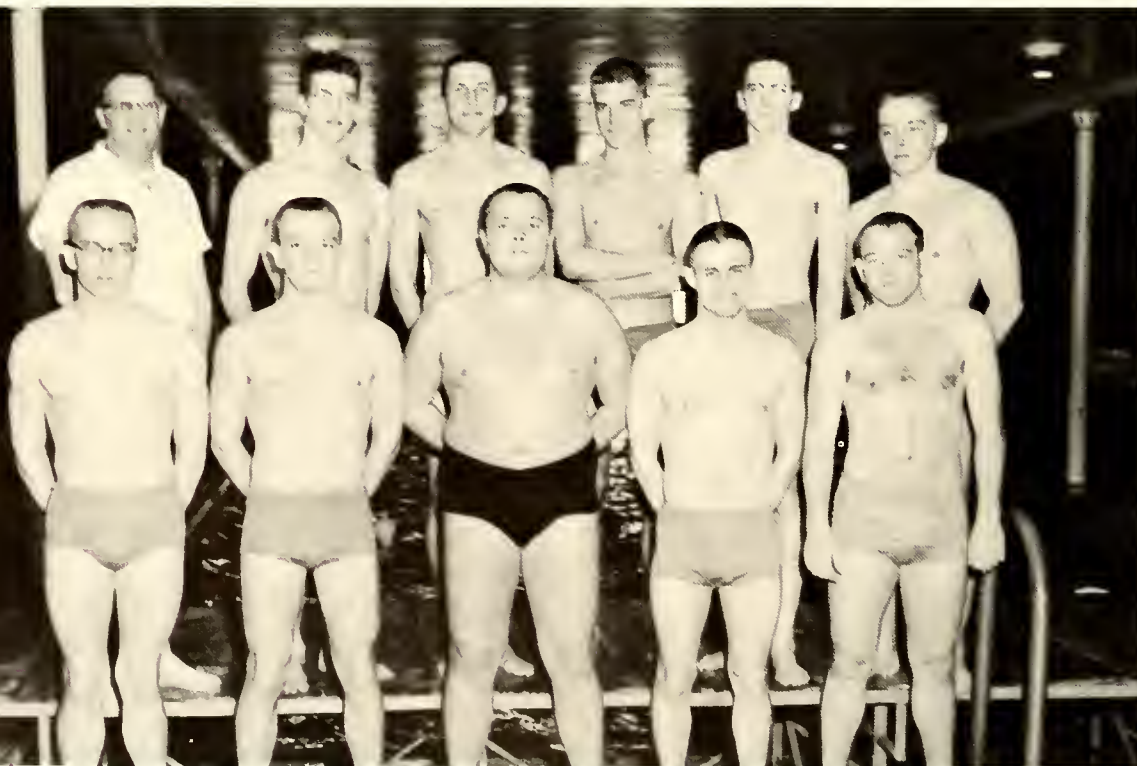

TRACK

Row 1: Renwick, Edson, K. Nelson, Moye, Best. Row 2: Coach Chuck Larson, Martin, O'Brien, DeGroot, Parsons, Lachel, Borine, Bowman.

Our track team this year boasts some outstanding veterans and a good front line but there is a definite lack of depth. Among those outstanding cindermen who are returning will be: Ron O'Brien, hurdler and broad jumper, Joe Renwick and Paul Moye, middle distance men, Ken Nelson, pole vaulter, Glenn Brooks, sprinter, hurdler, and broad jumper, Darrell Edson, shot put, discus, broad and high jumps, Carl Borine, a triple threat man and others. If injuries don't hit us, we could present a watch-stopping team.

SWIMMING

Row 1: Ellefson, Lundall, Herriott, Brewer, Frazier. Row 2: Coach Dusty Rhodes, Jones, Lipe, Adam, Best, Thorstenson.

With winning form the swimming team dived into the pool, missed a few strokes, gasped for breath, and crawled out the other side in the lower depths of the conference standing. Jack Brewer's illness toward the end of the season further hampered matters but though defeated, the spirit of drive and determination was always evident. Just as evident was the lack of spirit and pep on the part of the student body.

Coach Pelisek, J. Phillips, L. Pronga, Borine, Carroll, B. Anderson, Knox, Davis, Klusendorf.

WRESTLING

The wrestling team this year was a picture of paradox. While M.C.'s grabblers won their own quadrangular meet and finished an unofficial tie for first place with Cornell, as they won all their conference dual meets, they finished seventh in the Conference Meet. One of the main reasons for this reversal was the sudden rash of injuries which befell the team prior to the meet. Considering that this meet was the exception rather than the rule, the matmen have a bright prospect for next year.

The champs at the Quadrangular meet

BASEBALL

Row 1: Sprout, Phillips, Griffith, Mell, Margetis, McDaniel, Greer. Row 2: Greer, G. Phillips, Elliott, Suffield, G. Larson, Cooper, Rager, J. Nelson, Allen.

Steerike ---! Baseball has begun. Monmouth has high hopes that the strikes will be against the rest of the conference and not against them. Eleven returning lettermen including Bob Cooper, one of the conference's best catchers, should prove a diamond for M.C. Coe will be the team to beat here in the southern district.

GOLF

With Roger Smith, Terry Oggel, Bob Singer, and Ed Wentland as returning lettermen and Bill Irelan, Dave Smith and Naomoto Nabeshima as three promising newcomers, the golf team may well enjoy a season of success not seen for two decades. After their tour of Dixie, they are ready to attack the Midwest Conference with renewed vigor.

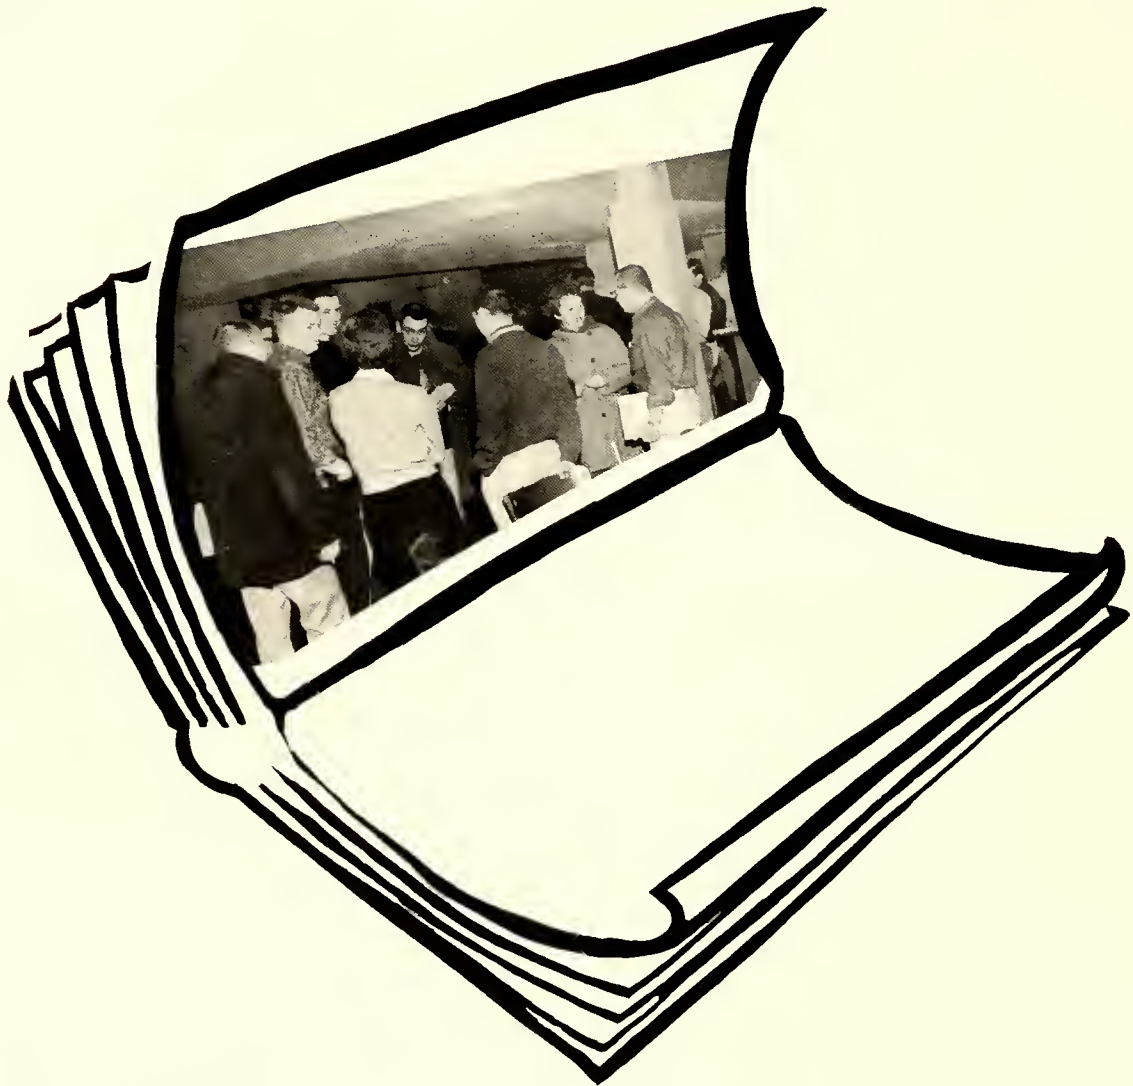

TENNIS

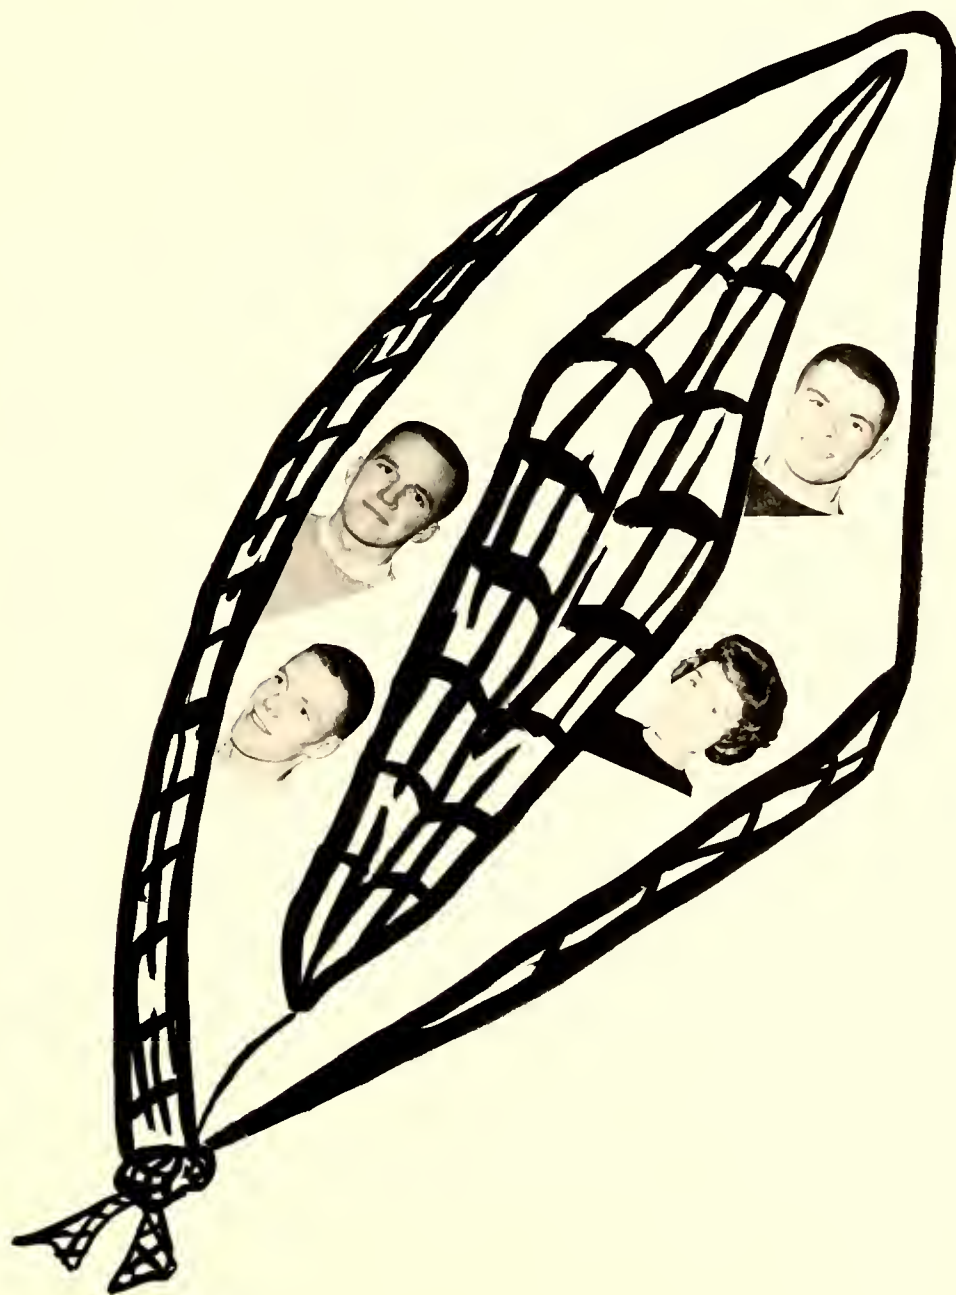

The snow was slow in leaving Monmouth but soon the familiar plop-plop of the tennis balls took the place of the silently falling snow. Frank Adam, intramural champion two years in a row is now eligible for varsity competition. This top-ranking singles player together with returning veterans bring good tennis back to Monmouth.

Wallem, P. Peacock, B. Reinsberg, W. Reinsberg, Kempin, (missing) Adam, Lohner.

SENIOR MEMORIES

And Lambie talked her way through all four years

East meets West in our international class

The Dancing Scots flying . . .

An inanimate view of our cheerleaders

As another senior class launches forth from the halls of Monmouth, they unconsciously leaf through the memories of the last four years. The agonizing hours before the first finals . . . the triumph of pseudo-mature sophomores over the incoming class . . . the hectic race of completing a major and holding office . . . and the luxury of Senior Sluff. Each class participates in similar activities through the four years but usually manage to maintain its individuality — the last of the Sunnysiders, the year's-end blasts, the unique Faculty-Night-Out entertainment and on and on.

A new sophomore transfer?

Joo-ey to the World!

That handsome championship basketball team

Don't they strike fear into every heart?
